

DIASOURCE EXHIBITING AT UPCOMING VITAMIN D WORKSHOP IN BARCELONA.

Dear Distributors,
Dear Customers,

We are very proud to announce our participation at the upcoming **21st Vitamin D Workshop in Barcelona from 16th May until 19th May 2018.**

The Vitamin D Workshop brings together key opinion leaders, basic researchers, clinicians and nutrition experts from around the globe. The latest research on Vitamin D is presented, debated and shared between the best experts in the field of Vitamin D. This event is the most important meeting for Vitamin D professionals.

DIAsource Immunoassays will show you their Vitamin D products, including:

- ➔ Free 25OH Vitamin D ELISA – the next generation Vitamin D assay!
- ➔ 1,25(OH)₂ Vitamin D Total RIA & ELISA
- ➔ 25OH Vitamin D Total RIA & ELISA

Dr. Nicolas Heureux will present a poster entitled "**Full Analytical Validation Of A Free 25OH Vitamin D Elisa Assay**".

We welcome you at our booth and we look forward to have fruitful discussions!

DIAsource will be represented by:

Nicolas Heureux
Principal Scientist - Vitamin D
